## ARCHITECTURE CATEGORY

Saint-Gobain, is a world leader in creating sustainable habitats. Operating in 68 countries, the company manufactures and distributes glass materials and glass solutions for our daily life. These glass solutions bring comfort, enhance performance, and add safety while addressing the challenges of sustainable construction. Saint-Gobain India Private Limited (SGIPL) - Glass Business, manufactures a variety of float glass products and offers solutions that continue to shape the Indian construction industry. The company produces a wide range of float glass products -Clear Glass, Tinted Glass, Energy Efficient Performance Glass, Mirrors, Lacquered Glass and Glass for High-performance applications including Fire Safety. With over 20 years of presence in India, and a unique pan-India manufacturing footprint with plants in Bhiwadi (Rajasthan), Jhagadia (Gujarat) and Sriperumbudur (Tamil Nadu), today, our growth is guided by our purpose, “MAKING THE WORLD A BETTER HOME”, which responds to the shared ambition of all men and women of the Group, to act every day and make the world a more beautiful and sustainable place to live in.
